proposed Bacteriological Laboratory Rs 30/- a month may be met by reallocation out of the sanctioned grant of Rs

From the Sanitary Commissioner's letters (Serials 5 & 6) it is seen that the Corporate City Municipal Council are willing to bear both the initial and recurring charges of the proposed Laboratory. The initial charge of Rs 1501 and the working expenses of Rs 307- a month during the current year are proposed to be met by a reallocation of the sanctioned grants. Draft sanctioning the setting up of the Laboratory is, in the circumstances, submitted Br II may also be consulted -

Ref 50 Bln 18 It is suggested that 10/5/4 the Laboratory be located in Ahmed Ali Darkhana building. A rent is claimed from the municipality for the occupation of this building by the Health Officer and this matter is being dealt with separately - It is presumed that the Laboratory will be located - wherever the Health Officer may
